

Around Notes grants licensed clinicians a non-transferable right to use the platform.
You remain responsible for complying with HIPAA, local laws, and institutional policies.
No resale, sublicensing, or reverse engineering of the service or its models.
We do not sell or rent user or patient data; subscriptions fund continued development.
Service is provided as-is; clinicians must review all generated content before use.
Contact support@aroundnotes.ai for signed agreements tailored to your organization.
